

Portable 5000mAh 2-Port Mobile Power Bank and USB Battery Wall Charger Combo - Direct Plug, Black

MODEL NUMBER: UPBW-05K0-1A1C

Combination wall charger and mobile power bank charges smartphones, tablets and other mobile devices either with or without an AC outlet.

Features

Portable Lithium-Ion Battery Charges Your Mobile Devices at Home, on the Road...Anywhere!

Small and lightweight, this high-capacity power bank dishes out 5000mAh of battery capacity for charging two mobile devices at the same time, including smartphones, tablets, e-readers, AirPods and handheld gaming devices. Lithium-ion lasts longer than lead-acid batteries, charges faster and saves you money in the end. Status LEDs let you know how much battery capacity is left.

Plugs Into an AC Outlet to Charge Itself and Your Mobile Devices at the Same Time

The UPBW-05K0-1A1C is a portable power bank you can take with you to charge your devices at work, on the train, at a convention or at the airport. But it also features a NEMA 1-15P plug that connects to any standard power outlet. Plugging the power bank into an AC outlet turns it into an efficient wall charger that not only charges its own battery to full capacity, but charges up to two connected mobile devices as well.

2 USB Ports Allow You to Keep Your Phone and Other Essential Devices Ready for Use

A USB-A port and a USB-C port provide a total of 5V 2.4A (when connected to an AC outlet) or 5V 3A (DC power) to charge your devices, including Android, Apple and Windows.

Protects Your Expensive Devices During Charging

Comprehensive safety features ensure worry-free charging of mobile devices. The power bank provides short circuit, over-voltage, over-current, over-charge and over-discharge protection.

Compact Housing Packs in a Pocket for On-the-Go Charging

An ideal power solution when you're on the road or stuck somewhere without convenient electricity, the portable battery charger fits comfortably in your purse, pocket or backpack to keep your phone, tablet, Kindle, AirPods or other mobile device operating when you need it. The NEMA 1-15P plug folds into the unit when not in use to shield it from damage and prevent it from snagging or scratching your bag's contents.

Highlights

- Plugs into wall outlet to charge up to 2 devices and itself at the same time
- Ideal for road trips, hikes, blackouts and other applications without AC power
- USB-A and USB-C ports provide up to 5V 2.4A (AC) or 5V 3A (DC) for charging
- 5000mAh of lithium-ion battery capacity is plenty for hours of maximum power draw
- LED indicators show remaining power bank battery capacity at a glance

Applications

- Charge tablets and other mobile devices either at home or the office via AC outlet or on the go via USB charging
- Maintain your smartphones' battery capacities while camping or hiking
- Keep your mobile devices working during a utility power outage

Package Includes

- UPBW-05K0-1A1C 5000mAh 2-Port Mobile Power Bank and USB Battery Wall Charger
- Owner's manual

Specifications

OVERVIEW	
UPC Code	037332251725
Efficiency	80%
Over Current Protection	Yes
INPUT	
Voltage Compatibility (VAC)	110; 120; 125; 127; 200; 208; 220; 230; 240
VOLTAGE REGULATION	
Overvoltage Correction	Yes
USER INTERFACE, ALERTS & CONTROLS	
LED Indicators	Blue = Battery Charge Status
SURGE / NOISE SUPPRESSION	
Automatic Shut-Off	Yes
CHARGING	
Charging Ports / Amps	2.4A; 3A
Overcharge Protection	Yes
Number of Charging Ports	2
Total Charging Amps	2.4A (When plugged into wall outlet); 3A (When portable)
USB Power Delivery (PD) Charging Support	No
Charging Method	AC; USB
Charging Watts	12
PHYSICAL	
Color	Black
Material of Construction	PC, PCB
Unit Dimensions (hwd / cm)	3.0 x 6.9 x 7.8
Unit Dimensions (hwd / in.)	1.18 x 2.72 x 3.07
Unit Dimensions (hwd / mm)	30 x 69 x 78
Unit Packaging Type	Box
Unit Weight (kg)	0.25
Unit Weight (lbs.)	0.5512
ENVIRONMENTAL	

Operating Temperature Range	32° to 77°F (0° to 25°C)
Storage Temperature Range	-4° to 140°F (-20° to 60°C)
Operating Humidity Range	20% to 90% RH
Storage Humidity Range	5% to 45% RH
CONNECTIONS	
Side A - Connector 1	USB Type-C (FEMALE)
Side A - Connector 2	USB A (FEMALE)
Side B - Connector 1	NEMA 1-15P (NON-POLARIZED)
FEATURES & SPECIFICATIONS	
Driver Required	No
Quick Charge Compliant	No
Technology	USB
STANDARDS & COMPLIANCE	
Certifications	Tested to RoHS, REACH, FCC, UL
WARRANTY	
Product Warranty Period (Worldwide)	1-year limited warranty
