DT70/64GB	DT70/128GB	DT70/256GB
-----------	------------	------------

1. Some of the listed capacity on a Flash storage device is used for formatting and other functions and thus is not available for data storage. As such, the actual available capacity for data storage is less than what is listed on the products. For more information, go to Kingston's [Flash Memory Guide](#).

2. Based on USB 3.2 Gen 1 theoretical bandwidth. Actual speed may vary depending on host hardware, software and usage.
