

# OMEN Blast Headset

Now hear this, there's a new crown in town

Get your head in every game with one sensational sounding headset. It comes packing 7.1 surround sound, 24-bit USB DAC, a retractable noise cancelling mic.<sup>1</sup>

## Hearing is believing

Pick up every crinkling leaf, shocking wave, and whistling snipe with the precise power of the 53mm drivers piped through 24-bit USB DAC.

## We have your ear surrounded

You need direction in your life... every direction. Immerse your noggin in 360° spatial awareness, powered by 7.1 Surround Sound, now your head's in the game.<sup>2,3</sup>

<sup>1</sup> Requirements for full wired functionality are Windows 10 and higher, USB (DAC), OMEN Command Center, (Voice, Audio, OCC). Limited wired functionality (no OCC) - Mac iOS, Chrome, PS4, Xbox One (Voice, Audio), Nintendo Switch (Audio Only).

<sup>2</sup> Listening to personal stereo equipment at full volume for long periods can damage the user's hearing. To reduce the risk of hearing damage, lower the volume and amount of time listening at full volume.

<sup>3</sup> To prevent possible hearing damage, do not listen at high volume levels for long periods.

<sup>4</sup> HP includes a two-year limited warranty with online support available 24x7. Consult the HP Customer Support Center for details, or go to [www.hp.com/go/orderdocuments](http://www.hp.com/go/orderdocuments). Internet access required and not included.

# OMEN Blast Headset

---

## Featuring

**No game will ever sound the same**

Use our elite audio equalizer to create and manage unique audio profiles for all your games in OMEN Command Center.

**Noise is cancelled. Voices are renewed.**

Isolate all the sweet things you say for all to hear with the retractable uni-directional passive noise-cancelling mic.

**Play everything by ear**

One headset rules them all: PC, PS4, Xbox, or Nintendo Switch. Now you can throw out all your inferior headsets.<sup>1</sup>

**The no-look volume control**

Keep your eyes on the game with no-look volume and mute controls right on the cable.

**Warning: You may forget you're wearing them**

No more ear pain if you ever decide to pull off your headset, thanks to suspension headband and super-duper-soft padding.
