## Game on your terms, no strings attached

No wires, no worries. Now you can get a reliable and consistent connection, that's as fast as wired; and 100 million keystrokes guaranteed with CHERRY MX Brown Switches.

### Wireless freedom, wired performance

Warp Wireless Technology gives every game a reliable and consistent 2.4 GHz connection with Zero-Lag technology, or easily flex to the secure wired cable.

### Switches, not glitches

Enjoy the superb quality of CHERRY MX Brown Switches. They're lightning fast with a 1ms response time and ultra-durable, lasting up to 100 million keystrokes.<sup>1</sup>

### Battery life so long, you'll forget to sleep

Only 5 minutes of charging via USB-C<sup>®</sup> provides up to 6 hours of play time. And with a full charge of up to 75 hours, don't forget to sleep.<sup>2</sup>

<sup>1</sup> All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.

<sup>2</sup> Based on HP internal testing charging via USB-C<sup>®</sup>, number of usage hours calculated with keyboard backlighting off. Actual battery life will vary with use and environmental conditions, and will naturally decrease with time and usage.

<sup>3</sup> Tested with Fortnite, War Thunder, and Warframe.
