The foot rest that rocks.

K58303WW

Product Description

With its comfortable, stable support, 136kg (300lbs) weight limit and 360° swivelling bar, the Rocking Foot Rest delivers ergonomics and promotes movement & stretching while sitting or standing. Strong, non-slip extruded rotating aluminium bar helps to improve circulation and relieve pressure for better health and all-day comfort.

Features

- Promotes movement and stretching to help improve circulation and relieve pressure for all-day comfort. Contributes to Non-Exercise Activity Thermogenesis (NEAT) movements such as rocking your feet and typing, helping to increase metabolic rate and keep us healthy.
- Sleek, versatile design with a discreet, low profile fits any office environment. Ideal for sitting or standing.
- 360° swivelling bar is designed to promote leg and foot movement & stretching throughout the day, improve circulation and relieve pressure.
- Extruded aluminium non-slip bar is rated up to 136kg (300lbs). Elevated ridges on the bar and rubber padded feet keep your feet and the foot rest securely in place.
