A banner for an e-catalogue. On the left, there is a faint line drawing of an industrial machine, possibly a pump or motor, with some technical specifications like '0.75', '0.37', and '0.25' visible. To the right of the drawing, the text 'e-catálogo' is written in a bold, sans-serif font, with the 'e' in red. Below this, the text 'Disponible para usuarios registrados' is written in a smaller, black, sans-serif font. At the bottom of the banner, the word 'Regístrate' is written in a white, sans-serif font on a dark grey background.
