- Black Glass Hob
- 4 Boosters

Whirlpool induction glass-ceramic hob - WL B4265 BF/IXL

4 induction rings. flexiCook zone technology, allowing you to combine multiple burners into a single cooking zone, for larger pots and pans. This Whirlpool induction glass-ceramic Hob features: An elegant technology, that heats the pan, not the hob, reducing energy dispersion and providing perfect cooking results. Electric power supply.

Direct access with buttons

A new user interface with dedicated buttons for each cooking zone. Each set of controls is mapped to the corresponding position on the hob surface to make it incredibly intuitive to use.

iXelium

Long lasting shine. The revolutionary iXelium treatment protects your hob from scratches and corrosion, ensuring a perfect shine, always. And, it's easy to clean: all you need is water and a soft cloth.

Power management

Outstanding energy efficiency. With the Power Management function, you set the hob's power level, to avoid the risk of overloading the power supply in your home.

Flexible Cooking

Automatic power settings. Select the cooking function on your touch display and your hob will automatically adjust the power level accordingly.

Melting

Perfect low-heat cooking. The Melting function allows you to cook at very low temperatures, providing you with the ideal solution for melting chocolate, butter or for cooking light, delicate sauces.

Keep warm

Warm meals, anytime. The low-powered Keep Warm function prevents your food from cooling, whilst the rest of the meal is being prepared.

FlexiCook

Flexibility and performance. FlexiCook provides flexible cooking space for pots and pans of any size.

Induction technology

Faster, energy-efficient cooking. Induction technology heats the pan, not the hob, reducing energy dispersion by 10%, and providing perfect cooking results.

Booster

Enjoy super fast boiling times with the Booster cooking zone.

Booster 3Kw

Enjoy ideal results, faster. This Whirlpool Hob features a 3Kw booster for faster, effective heating results.
