

NGS WIRELESS MOUSE EASY ALPHA

2.4GHZ WIRELESS OPTICAL MOUSE NANO RECEIVER- 1000 DPI

NGS Easy Alpha is a **1000 dpi** optical mouse with **USB connection** for those that request accurate movements. Ergonomics and design turn it into the best creativity developing tool. This mouse designed especially for notebooks, incorporates **2 buttons + scroll wheel** providing an excellent control and easy web exploring.

Its black rubber finish provides a firm grip, making it a great choice. Ideal for laptops due to its compact design, you will be able to take it with you anywhere.

Reliable 2.4 GHz wireless operation for smooth and immediate response and range of up to **10 meters**.

This mouse features **"Plug and Play"** installation; easy and quick. You just have to plug the Nano receiver into your laptop or PC and start working.

You will feel comfortable for hours, no matter if you are **left or right-hand** use.

Finally, it incorporates a type **AA battery** with a longer life thanks to the lat energy saving technology.
