ThinkPad T495s

Designed to meet the mobility needs of modern professionals, this 14" productivity workhorse is surprisingly lightweight and comes with the latest AMD Ryzen™ Pro processors. The ultra-narrow frame maximizes the amount of screen space relative to the device size. With up to 16 hours of battery life and optional 4G WWAN connectivity, mobile users can power through their workday without disruption.

## BUSINESS DEVICES THAT ARE A CLASS APART

REASONS TO BUY

Security innovations include an optional Privacy Guard screen that renders the display unreadable for anyone peering from behind or adjacent to the user, ThinkShutter privacy camera cover, an onboard fingerprint reader and data encryption technologies.

MIL-SPEC tested, this notebook delivers peak performance even in extreme working environments; we've subjected it to the toughest shock, vibration, temperature, spill and dust tests.

Minimal preloaded applications mean maximum battery life and responsiveness for users, and faster deployment for IT admins.

The ultimate productivity notebook, ThinkPad T Series will keep users productive all day with long battery life, docking and enhanced connectivity options, security and manageability features.
