HP OfficeJet Pro 9010 All-in-One Printer

A revolutionary smart printer that works the way you need it. Help save time with Smart Tasks shortcuts.[1] Get automatic two-sided printing and scanning, seamless connections,[2] and best-in-class security.[3] Print and scan from your phone.[1]

This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. A reused HP chip enables the use of reused, remanufactured, and refilled cartridges. More at: Learn more at: http://www.hp.com/learn/ds
