*Compared to fresh fries prepared in a Philips conventional fryer

***Compared to the fat content of chicken and pork prepared versus a deep fat fryer and wok frying.

****Available only in countries with a HomeID community

*****Energy cost of cooking one chicken breast (AF 160°C, no preheat) or salmon fillet (200°C, no preheat) vs. using an A class oven. Average percentage based on internal lab measurement with products HD9280, HD9650, HD9860, HD9270, HD9285, HD9252, HD9200, HD9255, HD9880. Results might vary per product.

Highlights

Tasty Airfryer recipes

Discover hundreds of mouthwatering Airfryer recipes that are tasty, healthy and fast to make. The recipes in the HomeID app are curated by nutritional experts for everyday cooking.

Personalised recipes

Receive daily recipe recommendations that suit your family's preferences. The more you use HomeID, the better it can tailor delicious recipe ideas to your needs. Get inspired by other cooks and follow people with similar tastes***.

Keep warm function

Enjoy your meal whenever you're ready. Hit the Keep Warm mode and your food will stay at the ideal temperature for up to 30 minutes.

Touch screen with 7 presets

Touch a button and cook. Pre-set programs include frozen snacks, fresh fries, meat, fish, chicken drumsticks, cake and even grilled veggies.

Easy to use and clean

All removable parts are dishwasher-safe. Our Airfryer's QuickClean basket has a non-stick coating for easy cleaning. Frying with air also means your home will be free from the odour of traditional deep frying.

Homemade. Made easy.

Unleash the full potential of your Airfryer to cook meals that are tastier and healthier. Explore time-saving features and strengthen your cooking skills to make homemade meals that you and your family love, every day.

Time and energy efficient

Philips Airfryers work more efficiently to save you time and energy by cooking delicious meals with up to 70% less energy and up to 50% faster than a traditional oven.****

Air is the new oil

The Philips Airfryer uses hot air to cook your favourite foods to crispy perfection, with up to 90% less fat.*

Airfryer experts for 10+ years

Our team of experts have been perfecting the Airfryer technology for over 10 years.
