HP recommends Windows 10 Pro for business

## Ultra-mobility

 This next-generation PC delivers a personalized computing experience suited to your workstyle. Videos jump off the optional UHD HDR BrightView touch screen<sup>2</sup> of the thin, ultralight, and versatile HP EliteBook x360 1040.

## Work with peace of mind

 Security features from HP work together to create an always-on, always-acting, resilient defense. From the BIOS to the browser, above and below the OS, these constantly evolving solutions help protect your PC from threats.

## Capture every idea

- Work when and where inspiration strikes. Stay connected with optional 4G LTE wireless<sup>4</sup>, long battery life, and a powerful 10th Gen six-core Intel<sup>®</sup> Core<sup>™ 5</sup> vPro<sup>® 6</sup> processor option.
- Instantly block prying eyes' ability to view your screen with optional HP Sure View Reflect that produces a copper reflective finish when the screen is viewed from the side making it appear unreadable.<sup>8</sup>
- Never wonder if someone is watching you with the added peace of mind that comes from HP Sure Shutter. This integrated physical shutter is activated by dedicated smartkey on the redesigned keyboard to help protect from malicious surveillance.<sup>9</sup>
- Enjoy the convenience of centralized controls on the new backlit keyboard with a dedicated power key, a fingerprint sensor and a programmable key. Rubber dome keys provide the consistent feel and quiet typing experience everyone appreciates.
- Not sure where you last saw your HP EliteBook x360 1040? With the optional Tile<sup>™</sup> solution, you can use an intuitive app to help you find your device near or far even when your PC is turned off.<sup>10</sup>
- Technologies in the optional UHD HDR 400 panel help improve your 4K viewing experience by increasing the contrast between light and dark images. The result is an image that most resembles the view in a natural state.<sup>2</sup>
- Wake your PC when you approach it and lock it when you leave with HP Presence Aware. An
  advanced proximity sensor detects your presence and triggers the camera and Windows
  Hello to confirm your identity and unlock your PC.<sup>11</sup>
- Make well-being measurable and actionable at work with HP WorkWell. Designed to coach you to take breaks, exercise, and to provide productivity tips, this app recommends healthy habits personalized to you.<sup>12</sup>
- Get the exceptional combination of responsive performance, connectivity and speed with a 10th Gen Intel<sup>®</sup> Core<sup>™</sup> processor that lets you launch, create, and connect fast and reliably.<sup>4</sup>
