# Lenovo V14 ADA

Smarter technology for all

**BUSINESS DEVICES THAT ARE A CLASS APART**

This basic 14"" notebook comes with an AMD Athlon or Ryzen processor and integrated Radeon graphics, supporting smooth multi-tasking of web-based apps and basic productivity software. It also offers good sound quality for videos, music and VOIP calls with two integrated 1.5W speakers and Dolby Audio. The modern, sleek design features a narrow frame around the screen and a large touchpad for improved on-screen navigation.

## REASONS TO BUY

Configure with both a HDD drive for storing large volumes of data, and ultra-fast M.2 SSD storage for improved system responsiveness and faster search and retrieval of files. Onboard connectors include a 4in1 media reader, and 3 USB ports for connection to a USB dock, printer or external storage device.

Lenovo Vantage application enables users to keep their device up to date and access settings from intelligent cooling, to managing blue light reduction in the display or adjusting audio for the perfect meeting experience.

We've enhanced the design of this affordable notebook, using the latest textured materials, a slimmer design and narrower frame around the screen that's reduced by one third compared with the previous generation.

The Lenovo V Series provides security, data protection and productivity features in an affordable package.
