NeoPix Prime 2

NPX542/INT

Comfy movie nights or gaming in your bedroom in HD 720p! The NeoPix Prime 2 delivers convenient entertainment in nearly any room with a lamp free light engine optimized to last more than 30,000 hours. Integrated smart Philips OS and Dual Band Wi-Fi connectivity lets you stream and binge from your favourite content providers like YouTube / Netflix (more apps will be pushed via FOTA) or play videos, pictures and music directly from USB Sticks. You can also stream multimedia content from your mobile devices via Wi-Fi screen mirroring. The keystone, 4 corner correction and digital zoom corrections help eliminate crooked and distorted images for a perfectly proportioned picture even if the device is not straight in front of the wall, so place it wherever you wish! The Prime 2 is the best compromise to get a smart and accessible projector.
