Hearing is believing

Pick up every crinkling leaf, shocking wave, and whistling snipe with the precise power of the 53mm drivers piped through 24-bit USB DAC.

We have your ear surrounded

You need direction in your life... every direction. Immerse your noggin in 360° spatial awareness, powered by 7.1 Surround Sound, now your head's in the game.^{2,3}

OMEN Blast Headset

No game will ever sound the same

Use our elite audio equalizer to create and manage unique audio profiles for all your games in OMEN Command Center.

Noise is cancelled. Voices are renewed.

Isolate all the sweet things you say for all to hear with the retractable uni-directional passive noise-cancelling mic.

Play everything by ear

One headset rules them all: PC, PS4, Xbox, or Nintendo Switch. Now you can throw out all your inferior headsets.¹

The no-look volume control

Keep your eyes on the game with no-look volume and mute controls right on the cable.

Warning: You may forget you're wearing them

No more ear pain if you ever decide to pull off your headset, thanks to suspension headband and super-duper-soft padding.
