Part No.: [164832](#)

EAN-13: 0766623164832 | UPC: 766623164832

A Flush Mount Desktop Power and Port Outlet for concealable power and easy display access

The Manhattan Flush Mount Desktop Power and Port Outlet is a low-profile charging solution you can easily install into the receptacle cutout of an office desk, conference room table, workbench or other surface. Its rotatable panel lets you charge devices and connect displays when needed and otherwise keep the outlet closed for a clean, discreet look. When open, it offers two AC power outlets to connect notebooks, printers, monitors, projectors and more while two USB-A ports can charge mobile devices such as phones or tablets. The HDMI and VGA options offer a much more convenient and extended display connection for floor-standing PCs than regular cables. The Flush Mount Desktop Power and Port Outlet makes it so you won't have to crawl under the desk to find a power strip or your cables again.

Features:

- Flush mount charging station with two power sockets and two USB-A charging ports
- Two USB-A charging ports with LED and output up to 2.1 A / 5 V DC (max.)
- HDMI passthrough connection with HDMI port and 1.5 m (5 ft.) HDMI cable - supports resolutions up to 1080p@60Hz
- VGA passthrough connection with VGA port and 1.5 m (5 ft.) VGA cable - supports resolutions up to 1080p@60Hz
- Rotatable charging/connectivity panel that can be hidden when not in-use

- Ideal for embedding into an office desk, conference room table, workbench or other surface
- Overload, overcurrent and overheating protection
- Built-in cable management for a clutter-free appearance
- Durable, high-quality aluminum alloy material
- Three-year warranty

Specifications:

Standards and Certifications

- FCC

Connections

- Two AC power outlets (NEMA 5-5)
- Two USB-A charging ports (2.1 A / 5 V DC max.)
- One HDMI port (resolutions up to 1080p@60Hz)
- One VGA port (resolutions up to 1080p@60Hz)

Input Characteristics

- AC rated voltage: 100 - 240 V
- Frequency range: 50 - 60 Hz

Physical

- Housing dimensions: 254 x 110 x 104 mm (10 x 4.33 x 4.09 in.)
- Cutout dimensions for installation: 221 x 103 mm (8.7 x 4.06 in.)
- Power cable length: 1.5 m (5 ft.)
- HDMI cable length: 1.5 m (5 ft.)
- VGA cable length: 1.5 m (5 ft.)
- Weight: 1 kg (2.2 lbs.)

Operating Environment

- Operation temperature: 0 - 50°C (32 - 122°F)
- Storage temperature: -10 - 70°C (14 - 158°F)
- Humidity (noncondensing): 5 - 90% RH

Package Contents

- Flush Mount Desktop Power and Port Outlet
- Two mounting screws
