

LEGO IDEAS

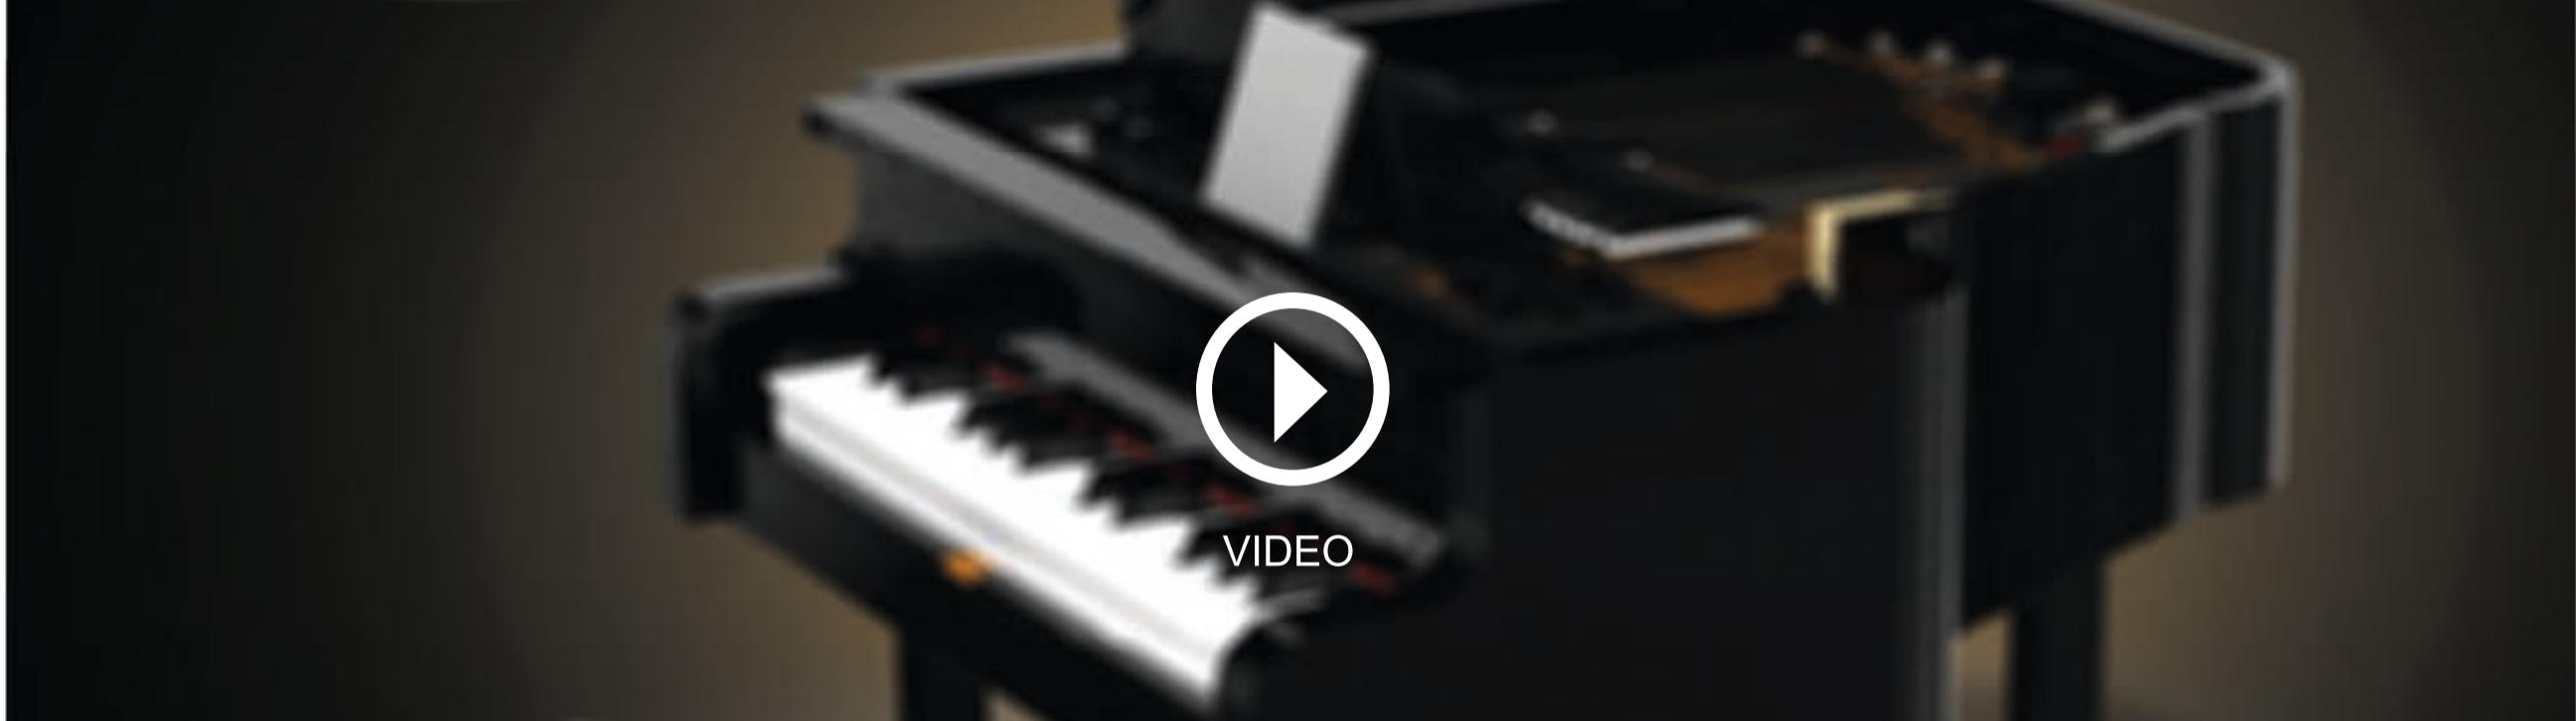

The first-ever LEGO® Grand Piano!

Build your own highly sophisticated, fully articulated, LEGO® brick version of a grand piano.

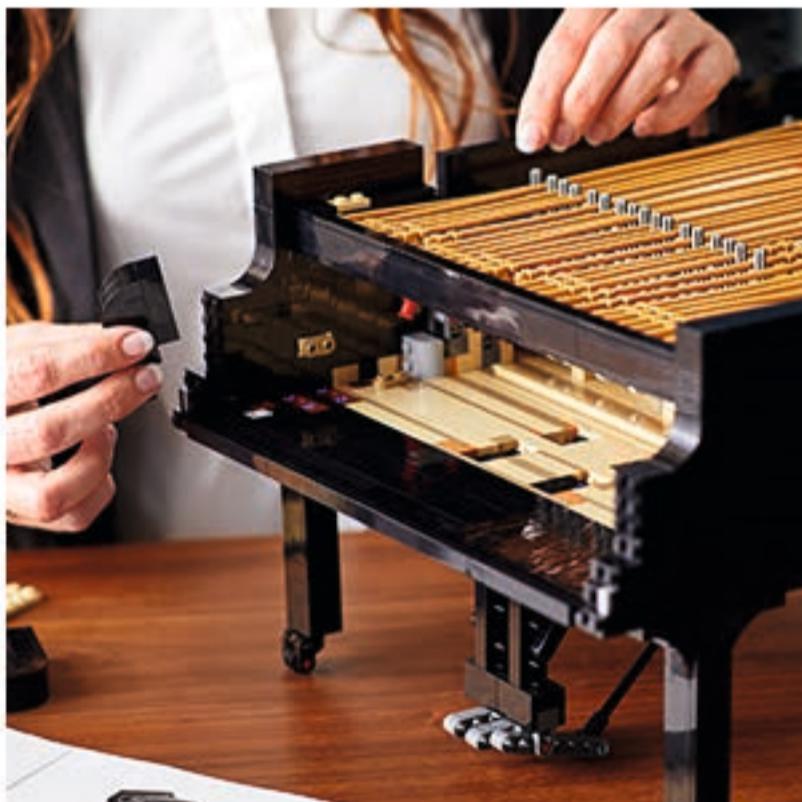

Create a LEGO® masterpiece

Access the free LEGO® Powered Up app to play a tune on this innovative, motorized piano or listen to a selection of songs.

LEGO® Ideas Grand Piano

Immersive DIY project

Take time to enjoy every step of the building process!

Revel in the authentic details

Recreate the hammer action of piano keys in LEGO® style.

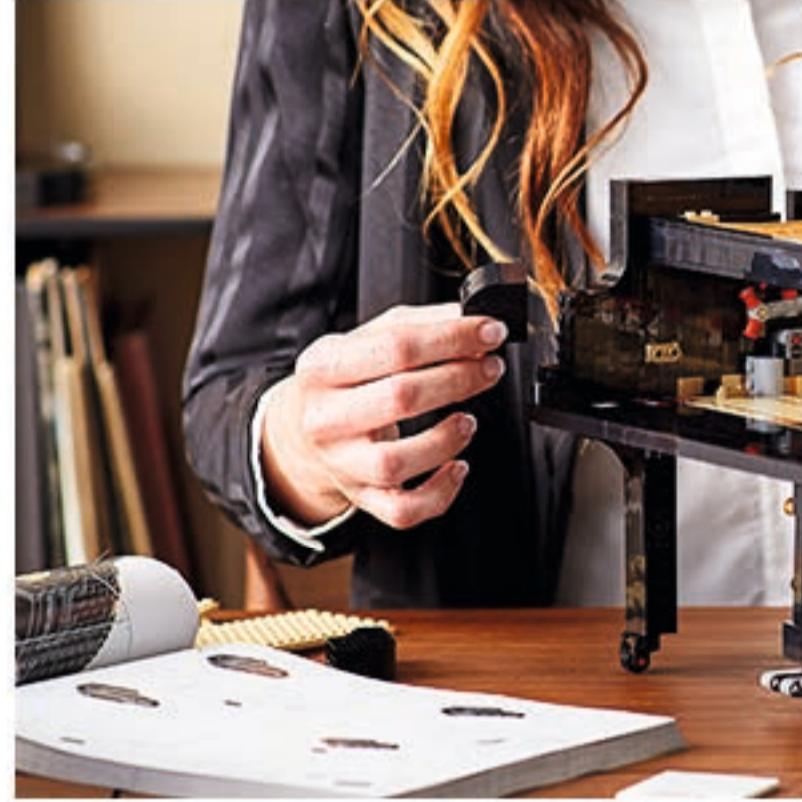

Opening fallboard and top lid

The lid can be propped up just like on a real concert piano.

Powered Up app options

Press the keys or just listen to music via your device.

Fan-tastic booklet

Learn about this LEGO® Ideas set's fan designer and more.

Gorgeous display item

Makes a beautiful centerpiece in any home.

A fun and rewarding building challenge

This 3,662-piece set includes clear instructions for a smooth building experience and is a perfect gift for music-lovers.
