

DataTraveler Exodia USB Flash Drive

With protective cap and keyring in multiple colours

Kingston's DataTraveler® Exodia™ is a USB 3.2 Gen 1 compliant storage solution for laptops, desktop PCs, monitors and other digital devices. DT Exodia allows quick transfers and convenient storage of documents, music, videos and more. Its practical design and fashionable colours make it ideal for everyday use at work, home, school or wherever you need to take your data. DT Exodia is available in capacities up to 256GB¹ and is backed by a five-year warranty, free technical support and legendary Kingston® reliability.

- Large loop easily attaches to key rings
- Practical cap protects the USB plug
- Multiple colour options by capacity

1. Some of the listed capacity on a Flash storage device is used for formatting and other functions and thus is not available for data storage. As such, the actual available capacity for data storage is less than what is listed on the product. For more information go to Kingston's [Flash Memory Guide](#).

2. Speed may vary due to host and device configuration.
