Features

- Designed exclusively for Surface and built in collaboration with Microsoft for exceptional quality, form, fit, and function.
- Seamless adhesive integration conveniently attaches to the Surface Book's frame and eliminates any setup process.
- Limited viewing angle narrows the field of vision to +/- 30 degrees, helping keep the information on your screen private, reducing the chances of a visual data breach in the office or in public.
- Blue light reduction filters out harmful rays by up to 22%, easing eye strain and reducing the chances of interrupting sleep patterns, while low-reflective coating improves clarity.
- Touch and Surface Pen enabled, allowing you to use your Surface Book just as you would without a privacy screen.
- Included cleaning cloth helps to keep screen clean and dust-free.
