

HP PageWide XL High-capacity Stacker

High-capacity output solution specially designed to keep up
with HP PageWide XL print speeds

Full online integration

- Bi-directional communication between the printer and the high-capacity stacker enables reliable operation
- Monitor high-capacity stacker status from the printer or the HP SmartStream software; the job queue halts when the high-capacity stacker has stopped

High speed

- The HP PageWide XL High-capacity Stacker is designed to maximize the speed of HP PageWide XL printers

Versatility

- Stack pages up to 102 x 122 cm (40 x 48 in) and materials from 70 to 200 g/m² (19 to 53 lb) weight
- Enable reliable handling of stiff media thanks to the stacker roof

Technical specifications

| | | |
|-----------------------|----------------------------------------------------------|--------------------------------------------------------------------------------|
| General | Capacity | Up to 500 pages |
| | Maximum page size | 102 x 122 cm (40 x 48 in) |
| | Media weight | 70 to 200 g/m ² (19 to 53 lb) |
| Paper handling | Sheet stacking | Face up |
| | Maximum stacker speed | 30 A1/D per min (landscape) |
| | Minimum stacking speed | The minimum speed supported by the printer |
| | Maximum sheet size supported on the stacker table | 40-inch-wide sheets (E size portrait) |
| | Minimum sheet size supported | A4 landscape |
| | Paper set supported | Full paper set supported by the printer, with 3-inch roll core |
| Connectivity | Power provided by printer through communication cable | |
| Dimensions | Dimensions with packaging | 1500 x 1200 x 815 mm (59 x 47.2 x 32 in) |
| | Dimensions without packaging | 1400 x 1100 mm (55.1 x 43.3 in) height adjustable according to printer version |
| Weight | Weight with packaging | 160 kg (352 lb) |
| | Weight without packaging | 107 kg (235 lb) |
| Environmental | Operating temperature | 5 to 40°C (41 to 104°F) |
| | Recommended temperature | 15 to 35°C (59 to 95°F) |
| | Operating humidity | 20 to 80% RH, depending on media type |
| Acoustic | Sound pressure | 56 dB(A) (working at 6 ips) |
| | | 65 dB(A) (working at 15 ips) |
| | Sound power (printing) | 7.1 B(A) (working at 6 ips) 8.1 B(A) (working at 15 ips) |

| | | |
|----------------------|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Power | Consumption | 36.57 W (maximum normal load) 8.30 W (only motors working) |
| | Voltage range | 32Vdc, 5 A |
| Certification | Safety | IEC 60950-1:2005 (2nd Edition) +A1:2009 +A2:2013 / EN60950-1:2006 +A11:2009 +A1:2010 +A12:2011+A2:2013 CAN/CSA-C22.2 No. 60950-1-07 +A1:2011 +A2:2014 / ANSI/UL 60950-1:2014 |
| | Electromagnetic | Compliant with Class A requirements, including: USA (FCC rules), Canada (ICES), EU (EMC Directive), Australia and New Zealand (RCM), Japan (VCCI) |
| | Environmental | CE marking (including RoHS, WEEE, REACH). In compliance with WW RoHS materials restriction requirements in China, Korea, India, Vietnam, Turkey, Serbia, and Ukraine |
| Warranty | 90 days | |

Ordering information

| | | |
|----------------|--------|---------------------------------------------|
| Product | CZ319A | HP PageWide XL Series High-Capacity Stacker |
|----------------|--------|---------------------------------------------|

- 1 Roof to handle stiff media
- 2 HP PageWide XL High-capacity Stacker with a capacity of up to 500 pages
- 3 Adjustable height
