Neomounts DS15-050SL1 Tablet stand up to 11" - foldable - universal - silver

The Neomounts DS15-050SL1 is a stand for smartphones and tablets up to 11". The clever tilt option (90°) allows the stand to change to the ideal viewing angle. The tablet stand is ideal for hands-free video calling, watching a movie or playing a game.

Thanks to the open configuration, the charging port remains accessible and charging wires can be routed to the back of the stand. The lightweight, compact design makes the stand ideal to take with you wherever you want. The anti-skid silicon pads and safety ledge stopper ensure solid positioning of your tablet.
