

MAINSTREAM COMPUTING FOR A VARIETY OF BUSINESS USES

Lenovo V Series desktops offer exceptional value for money, and are available in a range of sizes and performance configurations to meet the varying needs of your workforce.

Lenovo V50t 13IMB

Smarter
technology
for all

Lenovo

This 13.6-litre desktop featuring an all-new design in black and metallic Iron Grey finish can modernize any space. Equipped with powerful Intel processors, BIOS-based and physical security features, and more efficient cooling technology, it delivers the performance your workforce needs to stay on top of day-to-day workloads. And there are plenty of USB ports, including 4x USB3.1 ports conveniently in the front, for connecting essential peripherals.

REASONS TO BUY

Security is prioritized with features like the optional Smart Cable Clip that physically locks the cables plugged into the desktop and restricts unauthorized access, Padlock Loop to prevent tampering with internal components and a Kensington lock slot that protects against device theft.

Choose M.2 SSD storage for improved performance and application response times, or HDD storage option if vast amounts of data need to be stored.

An energy efficient desktop with EPEAT Silver and Energy Star 8.0 certifications. This device is also TUV Ultra Low Noise certified.

Lenovo V50t 13IMB

KEY SPECIFICATIONS
