Close shave. Advanced skin protection. with SenseIQ technology

Philips Norelco Shaver 7700 delivers a smooth shave while reducing skin irritation. Only Philips has ComfortGlide rings, a special anti-friction coating to protect your face from redness and irritation.

Skin comfort

- Maintains skin contact for a comfortable, smooth shave
- ComfortGlide rings protect your face from irritation

Shaving performance

- Powerful, yet gentle performance with fewer passes

For a convenient shave

- Get a convenient dry shave or a refreshing wet shave
- Even-up your mustache and sideburns
- Charging stand keeps the shaver stored, charged and ready
- Keep your shaver like new with a deep clean in just 1 minute
- 60 minutes of cordless shaving from a 1-hour charge

SenseIQ technology

- Adjusts to your beard for effortless shaving
- Master your technique with the Philips GroomTribe app
- Guides you to an improved technique with fewer passes

Highlights

ComfortGlide rings

Shaving heads are surrounded with ComfortGlide rings, a special protective coating with skin gliding properties, to shield your face from irritation.

SkinProtect blades

With up to 90,000 cutting actions per minute, the SkinProtect blades deliver a close shave with fewer passes* for more comfortable skin. The 45 high-performance blades are self-sharpening for a consistent shave every time.

360° contour heads

Fully flexible heads turn 360° to follow your facial contours. Experience optimal skin contact for a thorough and skin-friendly shave.

Shave wet & dry

Get a convenient dry shave or a more refreshing wet shave with gel or foam – even in the shower.

Pop-up trimmer

Refine and define your mustache and sideburns with the pop-up trimmer—and complete your look with ease.

60 minutes of cordless shaving

Use your shaver at home or on-the-go for up to 60 minutes on a 1-hour charge – that's about 20 shaves. Or a 5-minute quick charge gives enough power for one shave.

Quick Clean Pod

Powerful cleaning pod thoroughly cleans and lubricates your shaver in just 1 minute, keeping it performing at its best for longer. The pod is 10x more effective than cleaning with water**.

Charging stand

Keep the shaver stored, charged and ready to go with the included charging stand.

Smart Hair sensor

The intelligent sensor reads facial hair density 125 times per second and auto-adapts cutting power for an effortless and gentle shave.
