

720p USB Webcam

One Megapixel, 720p HD, USB-A Plug, Integrated Microphone, Adjustable Clip Base, 30 fps, Black

Part No.: [462013](#)

EAN-13: 0766623462013 | UPC: 766623462013

A USB plug and play webcam that lets you call and record with HD clarity

Make 720p video calls or streams on your favorite platforms such as Skype, Twitch, Teams or Zoom. At 30 frames per second, video quality is smooth, while images are crisp, colorful and contrasted. The built-in microphone makes sure your voice comes across clearly. For mounting options, you can attach the adjustable clip base to your screen or make it stand on a flat surface. Plug-and-play functionality through the USB-A plug ensures fast and easy setup on the most popular Windows devices.

Features:

- HD video and reliable voice clarity, ideal for streaming, video conferencing and recording
- Sharp, smooth video transmission in 720p widescreen format with 30 frames per second
- Built-in high-quality microphone for clear communication
- Image optimization with automatic saturation, contrast, white balance and exposure adjustment
- Adjustable clip base to attach to your screen or to stand on your desk
- Plug and play for fast and easy setup - no driver download required
- Windows compatible
- Three-year warranty
