

HP Pavilion High Power Adapter 150W

A reliable, powerful 150w adapter for users of the most power-hungry applications

Serious power is now slim, sleek, and totally portable. Whether you're replacing an existing adapter or adding a second for convenience, get reliable power from a name you can trust with a 150W power adapter that's been trimmed down for easier travel.

On-demand powerhouse

Fuel your power-hungry applications whether gaming or video editing with 150W of power and a 4.5 mm connector.

Have power, will travel

The slim, portable design easily slips into your backpack or bag.

Stable power. Uninterrupted performance.

Our power adapters go through rigorous quality testing to help ensure safe, stable performance.

Easy organization

Keep your cable neat and organized with the attached hook and loop fastener.
