

EB-L250F

DATASHEET / BROCHURE

The EB-L250F is an innovative, experiential signage solution that's affordable, reliable and easy-to-use.

Whether projecting timely messaging such as social distancing directions, highlighting the latest sales promotions, or creating engaging experiences for diners, shoppers, tourists and visitors, the EB-L250F enhances the way customers interact with brands and products.

Innovative and cost effective

Epson's advanced laser technology is robust and reliable, providing a flexible and easy to use digital signage solution. It offers bright and vivid colours in a cost-effective solution that's capable of large display sizes.

Large and scalable images

The EB-L250F enables scalable display sizes of up to 500 inches, in Full HD resolution with 4,500 lumen brightness and 3LCD technology for bright colours and high display quality even in bright spaces.

Versatile and easy to install

This sleek, stylish and bright display solution offers the flexibility to fulfil the most exacting brief, and the versatility to work in many commercial environments. Users can benefit from multi-projector edge blending, or illuminate an entire wall with one huge image. It can be mounted on the wall, ceiling or floor, as well as on a lighting track with optional accessories. A black model is also available.

Flexible playback options

Content can be played directly from a USB stick, including: playlists, videos, and signage content using the built-in content playback feature and Epson Projector Content Manager software. Users can even upload and playback content wirelessly with built-in Wi-Fi and screen mirroring functionality. Also, the split screen feature allows users to connect multiple input sources to display different content sources simultaneously.

KEY FEATURES

- **Experiential signage solution**
Sleek, compact and unobtrusive design.
- **Up to 500-inch display**
Full HD resolution, 4,500 lumen brightness and 3LCD technology
- **Installation flexibility**
Wall, ceiling, floor, or lighting track, with 360 degree rotation
- **Cost effective**
20,000 hours maintenance free - 5 year warranty
- **Flexible playback**
Play content directly from a USB stick
