

Kensington

# AC32 32-Bay Security Charging Cabinet

Charge, transport, lock and store up to 32 devices neatly and easily.

K62327EU

## Productomschrijving

Features include lockable front and rear doors and a sturdy security cable attachment ring (padlocks and security cable not included); built-in dividers and cable organisation that keeps bulky adapters out of the way; large 127mm (5”) removable non-marking locking castors that allow for easy movement over rough and uneven surfaces; smart charging technology that automatically prioritises power to the devices that need it most, for faster, more efficient charging; and a push handle.

## Features

- Neatly and easily charges, transports, locks, and stores up to 32 devices (up to 15.6" each).
- Lockable front and rear doors allow you to secure the devices inside (padlocks not included).
- A security cable attachment ring provides a sturdy, secure point to attach a security cable (security cable and padlock not included).
- Built-in dividers and cable management organises devices and cables and keeps bulky adapters out of the way.
- Five-inch removable non-marking locking casters allow for easy movement over rough and uneven surfaces.
- Smart charging technology automatically prioritises power to the devices that need it most, for faster, more efficient charging.
- A push handle makes transport simple.
