- Outer carton dimensions WxDxH: 8.50" x 5.91" x 9.06"
- Product weight (lb): 0.104

Highlights

Sensory Touchpad SuperScroll

Navigate through hundreds of songs easily and smoothly - or one at a time - in just a few seconds. The scroll key senses your finger movements on the touchpad and will adjust the speed to your navigation through the menus or tracks accordingly. An enlarged alphabetical letter helps you keep track of your position in the menu while scrolling for songs and artists so you know exactly when to release your finger from the touchpad.
