Highlights

Contour following comb

The contour following comb adjusts to every curve to give fast and comfortable results.

Self-sharpening blades

Revolutionary wave-shaped, self-sharpening blades channel and cut hair for a precise and even result.

9 integrated length settings

Select and locks your desired length within a versatile range of possible lengths.

Beard and moustache comb

Trimming your facial hair exactly how you want.

Full size trimmer

Using the full size trimmer without a comb results in a stubble beard look.

Hair clipper comb

Clipping your hair at different lengths to keep your hair neat and styled.

Nose and ear trimmer

A must have addition to your grooming set to keep your unwanted hairs away.

Precision detail trimmer

Create any style you want with precision.

Cordless use only

Cordless use for maximum freedom

Store and charge stand

Charging stand provides a convenient storage and ensures the appliance is fully charged and ready to use
