HP Engage One Pro 6.6 Inch Pole Display

Get vital text and video content out in front with this dynamic 6.6" customer facing pole display for the HP Engage One Pro. An adjustable design and future-minded features deliver style and scalability to elevate any experience.

Versatile function in a sleek design

Captivate customers' attention with this attractive, adaptable display. The included 1.8 meter USB-C® cable lets you best position it to put vital information where you need it.

Dynamic text and video display

Display a range of content—everything from useful purchase information and loyalty reward programs to eye-catching promos—supports 2x20, and 3x16 lines of text or engaging video.

Fully adjustable to suit your needs

Find the optimal height for your countertop—from 5 inches to 1.3 feet—with three adjustable pole sections and built-in tilt and swivel for adaptable viewing angles.

Brightness built to last

View essential information across a gamut of lighting conditions. 400 nits of brightness and a LED half life of $\geq 50,000$ hours deliver superb visibility and lasting value.

Scalable interactivity

Adapt to an ever-shifting marketplace with the ability to change between touch and non-touch display functionality.

Integrated webcam with facial recognition

Prepare for upcoming innovations with the integrated webcam and IR facial recognition technology, allowing for a more enhanced, interactive, and customizable customer experience.

Durable longevity

Keep dust and liquids at bay with durable IP52¹ rated sealed glass that helps protect the screen from spills and intrusive debris.

Your choice of OS

Enjoy support for your retail operating system of choice. The HP Engage One Pro customer facing pole display supports Windows 10, Windows 10 IoT, Linux®, and Android-based systems.

Supported by HP

Rest easy that your IT investment is supported by a three year standard limited warranty².
