

No-Stud TV Wall Mount - Low Profile Heavy Duty VESA TV Wall Mount for up to 80 inch Display (110lb/50kg) - Universal Television Wall Mount - Studless Tilting Flat Screen Mount

Product ID: FPWHANGER

This No-Stud TV Wall Mount enables you to easily and securely mount your display from 37" up to 80" to walls without the need to align the bracket with wall studs. Its steel frame supports displays up to 110lb / 50kg in weight and provides the ability to tilt your display to ensure your application and the ideal viewing angle are aligned.

The studless design of this Universal TV Wall Mount makes it easy for you to mount your TV to a drywall or plaster wall in any boardroom, office, or classroom setup. Simply choose the best mounting location and secure the mounting bracket into the wall (with included nails); no need to drill or look for wall studs. The included Automatic Spring Lock lets you conveniently mount and secure your TV in place.

This Low Profile TV Wall Mount is perfect for applications like digital signage, where space and aesthetics are important. With a 1.2" profile from the wall, this Wall Mount TV Hanger provides a professional and clean look.

The Hanging TV Wall Mount lets you angle your TV towards your audience. The included wall-mounted spacers give you a choice to change the tilting angle (0/ -5) for a comfortable viewing experience.

The FPWHANGER is backed by a StarTech.com 5-year warranty and free lifetime technical support.
