Highlights

Contour following comb

The contour following comb adjusts to every curve to give fast and comfortable results.

Self-sharpening blades

Revolutionary wave-shaped, self-sharpening blades channel and cut hair for a precise and even result.

9 integrated length settings

Select and locks your desired length within a versatile range of possible lengths.

Precision detail trimmer

Create any style you want with precision.

Clear view hair chamber

Transparent hair chamber makes it easy to see when the chamber needs to be emptied.

Corded and cordless use

Use your Philips trimmer corded or cordless with the recharged battery for maximum power and freedom.

Turbo power boost button

When greater suction power and increased cutting speed is desired while trimming, simply press the Turbo Power Button.

Integrated vacuum system

The integrated vacuum mechanism absorbs cut-off hairs during use and gives you a cleaner washbasin after use.
