Bluetooth Earset Business Pro

Item no.:

126-25

EAN:

Sandberg Bluetooth Earset Business Pro is a stylish earphone for one ear. It's charging in a smart base station on which you can also easily switch between up to four connected devices: PC, smartphone, tablet and TV. The noise reducing microphone removes background noise, enabling the counterpart to hear you crystal clearly. The earphone fits securely and comfortably on your ear, so that you have full freedom of movement during conversation.
