Part No.: [354523](#)

EAN-13: 0766623354523 | UPC: 766623354523

HDMI Extension Cable - great for close-to-wall TVs and TV sticks

Since many TVs sit very close to a wall, there can be little space to connect accessories such as an Amazon Fire TV or Roku Stick. Make your crucial connection with the Manhattan High Speed HDMI Extension Cable. It acts as a cable adapter, and its flexible cabling makes it perfect for bending in tight spaces. Simply plug the male HDMI connector into your TV and the TV stick to the cable's female HDMI connector. The TV stick can hang securely from the extension cable instead of jutting from the back or side of the TV where it's in danger of breaking off if you're not careful. You'll enjoy a better wireless signal and improved airflow for an excellent cinematic experience. This extension cable supports all the key audio/video features of a quality HDMI cable such as 4K@60Hz resolution, Dolby Atmos, Dolby Vision and much more.

Features:

- Space-saving port extension, ideal for wall-mounted TVs or where you want to hide connected TV sticks and other accessories
- Supports 4K@60Hz Ultra High Definition (UHD) resolution, 3D video and Deep Color
- Compatible with any HDMI device such as Amazon Fire TV Stick, Google Chromecast, Apple TV, Roku and more
- Supports 4:4:4 chroma subsampling and HDR
- Up to 18 Gbps bandwidth
- Supports HDMI Ethernet Channel (HEC)

- Supports HDMI Audio Return Channel (ARC)
- ARC to transmit TV's audio through your system; no need for additional cable
- Supports compressed DTS-HD Master Audio and 7.1 surround sound as well as Dolby TrueHD and uncompressed LPCM, 32-channel audio
- Double shielded to reduce EMI and other interference sources
- Fully HDCP compliant
- Lifetime warranty

Specifications:

Standards and Certifications

- CE
- FCC
- RoHS
- ISO 9001
- UL
- HDCP 2.2

General

- 4K (3840 × 2160) at 60 Hz resolution
- 4:4:4 chroma subsampling
- HDR support
- Bandwidth: 18 Gbps
- HEC support
- ARC support
- Length: 20 cm (0.66 ft.)

Connectors

- One HDMI 19-pin male
- One HDMI 19-pin female
- Nickel-plated contacts
- Molded PVC boot
- Built-in strain relief

Cable

- 30 AWG cable
- Double shielded
- Current rating: 0.5 A DC
- Withstanding voltage: 300 V DC
- Insulation resistance: 5 MOhms
- Conductive resistance: 5 Ohms
- Thermal plastic casing

Operating Environment

- Operation temperature: 0 - 40°C (32 - 104°F)
- Storage temperature: -20 - 60°C (-4 - 140°F)
- Humidity (noncondensing): 0 - 96%
