Chromecast built-in	Works with Apple AirPlay
Works with Alexa	Bluetooth Wireless Music
Ideal for 55" TV and above	

All-in-one Versatile Dolby Atmos Sound Bar.

Bring immersive home cinematic sound and wireless audio over Wi-Fi to your living room without taking up a lot of space. A single compact all-in-one design that delivers an amazing Dolby Atmos experience which will also quickly become your living room audio hub with Chromecast built-in, Works with Apple AirPlay, Works with Hey Google and Works with Alexa connecting to all popular audio

ecosystems. With a carefully engineered combination of angled drivers and acoustic radiators and dual built-in subwoofers, your ears will simply not believe how much performance and quality has been crammed into this soundbar whilst taking so little space. Hearing is believing. Every time again.

Product Highlights

Dolby Atmos

Dolby Atmos offers boundary-less sound that moves around you. Individual sounds are precisely placed in the room, immersing you in each story and song.

AirPlay technology brings you multiroom audio, Siri voice control, and enhanced playback.

Chromecast built-in brings Google Assistant voice control and multiroom audio, easy from numerous devices

Works with Alexa lets you use your Amazon Echo or Alexa built-in device to play and control music playing on this soundbar and set it up with other speakers throughout your home.
