## The Gamer's Type

The Trust GXT Azor Keyboard illuminates your path to digital victory with amazing colours. And thanks to anti-ghosting technology and a game mode switch, the keyboard with full-size layout can handle your quickest input.

## With Flying Colours

Brighten up your gaming rig with impressive LED lights. It's possible to choose between three different modes, all with adjustable brightness, so you'll find the ideal setup to match the intensity of your matches.

## Full Control

Thanks to the 12 multimedia function keys, it's possible to access a variety of functions, from playing music to starting a search. The Azor is also equipped with anti-ghosting technology, giving it the ability to recognise up to 8 simultaneous key pressings. Besides that, the keyboard features a game mode switch, which disables the Windows key, making sure you won't accidentally exit your game.
