

MPN: GRUDKSCH

Power Plug Converter, DK to Schuko

F-M, 230V, 16A

The MicroConnect GRUDKSCH Power Plug Converter seamlessly adapts Danish power plugs to Schuko (Type F) sockets, ensuring compatibility across Europe. This durable adapter converts from a standard Danish plug to a Schuko female connector, making it ideal for travelers or anyone using Danish appliances in regions with Schuko outlets. Benefit from reliable power transfer and a secure connection, crafted with European quality standards. Trust MicroConnect's 20+ years of experience to provide a safe and effective solution for your power conversion needs. This converter is a must-have for avoiding compatibility issues and ensuring your devices are powered correctly.

- Max.: 230V
- Max: 16A
