

## BUSINESS DEVICES THAT ARE A CLASS APART

The Lenovo V Series provides security, data protection and productivity features in an affordable package.

## Lenovo V14 G2 ALC

Smarter  
technology  
for all

Lenovo

This basic 14" notebook comes with up to AMD Ryzen 7 processors and integrated Radeon graphics, supporting smooth multi-tasking of web-based apps and basic productivity software. It also offers good sound quality for videos, music and VOIP calls with two integrated 1.5W speakers and Dolby Audio. The modern, sleek design features a narrow frame around the screen and a large touchpad for improved on-screen navigation.

### REASONS TO BUY

Configure with both a HDD drive and ultra-fast M.2 SSD storage for improved system responsiveness and faster retrieval of project files, technical drawings or large spreadsheets. Onboard connectors include 3x USB ports for connection to a USB dock, printer or external storage device.

Lenovo Vantage application enables users to keep their device up to date and access settings from intelligent cooling, to managing blue light reduction in the display or adjusting audio for the perfect meeting experience.

We've enhanced the design of this affordable notebook, using the latest textured materials, a slimmer design and narrower frame around the screen that's reduced by one third compared with the previous generation.
