

HP 128 Laser Wired Mouse

Every Day Productivity

Think how much you use your mouse. That's why we've taken the time to design a laser wired mouse that is comfortable to use so you can work productively every day - and all day if necessary.

Designed for Comfort

Our design experience and expertise are reflected in the HP 128 Laser Wired Mouse. This mouse includes perfectly positioned left and right buttons and a scroll wheel so you can work in comfort all day. You can even adjust the dot per inch speed of the cursor.

Plug and Play Connectivity

Connecting some peripheral devices can be a complex and time consuming task. Who needs that? With easy plug and play USB connectivity, you can get your laser wired mouse connected quickly so you can get on with your work day.

Responsibly Made

You should feel good about the products you buy and use. Rest assured, this laser wired mouse is responsibly made with printed circuit boards that are low halogen.¹

Easy Cleaning

Use your mouse every day and it will accumulate dirt and grime. Over time, this can affect how it performs. Because it was specifically designed to withstand everyday cleaning with disinfecting wipes², this is one mouse that's a snap to keep clean.

HP 128 Laser Wired Mouse

Saderība	Compatible with PCs with available USB-A port.
Izstrādājuma izmēri	6.3 x 11.2 x 3.6 cm
Svars	80.5 g 2.83 oz
Garantija	One-year limited warranty.
Iepakojumā ietvertās detaļas	HP 128 Laser Wired Mouse; Documentation
Izcelsmes valsts	Made in China
Produkta numurs	265D9AA
Kabeļa garums	180 cm
Savienotāja apraksts	USB-A
