XC4201/01

Slim, powerful, cordless

Lightweight with strong performance

The new 4000 Series cordless vacuum cleaner provides powerful pickup driven by a compact digital motor. Ultra-lightweight with slim design. Easily clean all hard floors and even harder-to-reach areas effortlessly.

Easy to store and maintain

- Simple dustbin removal and emptying
- Easy storage anywhere, with self-standing feature
- LED indicator for battery level and notifications

Effective Hard floor cleaning in compact house

- 3 stages filtration captures 99% of micro particles *
- Motorized brush nozzle with anti-hair tangle solution
- Digital motor engineered for powerful performance
- Up to 18-min. Turbo runtime powered by Li-ion batteries **

Slim design for effortless cleaning

- Dual dust containers for efficient dirt collection
- Slim design reaches under low furniture
- Easy to maneuver, handheld weighs under 800g

PHILIPS

Cordless stick vacuum cleaner
Motorized brush nozzle Up to 18-min. Turbo runtime, 2-in-1 vacuum & handheld, Crevice tool with brush

XC4201/01

Highlights

Effective reach everywhere

The slim, compact body goes fully flat on the floor to reach under low furniture and around tight corners.

Ultra-lightweight design

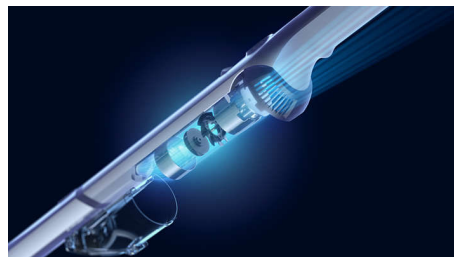

Lightweight design makes it easy to maneuver and clean with less effort. The full vacuum weighs just 2.2 kg and the handheld alone less than 800 grams.

Dual dust containers system

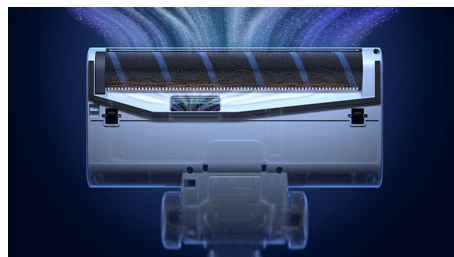

Unique dual dust containers separate particles by size for efficient dust collection. Larger particles are captured in the nozzle bin. Fine dust is transferred to the handheld bin with multi-layer filtration.

Ultra-compact digital motor

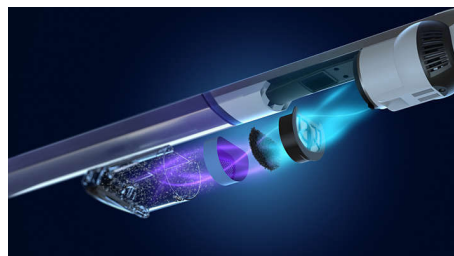

Ultra-compact digital motor is engineered for powerful dirt pickup on all hard floors.

Motorized brush nozzle

The motorized brush nozzle with anti-hair tangle solution delivers powerful pickup — and makes cleaning it simpler and more hygienic.

99% filtration

The 3 stage filtration system captures up to 99% of microparticles as small as 0.3 um micrometers and ensures long-lasting performance. *

Up to 18-min. Turbo run time

High-capacity 2500Ah Li-ion batteries provide up to 18 minutes of runtime in Turbo mode. 30 minutes in Regular mode. **

Easy to store

Compact size fits into any home. Mount it on the wall or stand it in the corner for quick access. Or take it apart to store it anywhere, even a drawer.

Easy emptying

Both the handheld and nozzle dust containers are removed with one click for easy emptying.

Cordless stick vacuum cleaner
