COMMISSION DELEGATED REGULATION (EU) 2019/2013 with regard to energy labelling of electronic displays

|     | Parameter                                                                                                              | Parameter or value and precision                                            |   |       | Unità   |
|-----|------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------|---|-------|---------|
| 1.  | Supplier's name or trademark.                                                                                          | TCL                                                                         |   |       |         |
|     | Supplier's address.                                                                                                    | TCL Operations Polska Sp. z o.o., A. Mickiewicza 31/41, 96-300 Żyrardów, PL |   |       |         |
| 2.  | Identificativo del modello                                                                                             | 75C728X1                                                                    |   |       |         |
| 3.  | Classe di efficienza energetica per la gamma dinamica standard (SDR)                                                   | G                                                                           |   |       |         |
| 4.  | On mode power demand in Standard Dynamic Range (SDR)                                                                   | 165                                                                         |   |       | W       |
| 5.  | Classe di efficienza energetica per la gamma dinamica ampia (HDR)                                                      | G                                                                           |   |       |         |
| 6.  | On mode power demand in High Dynamic Range (HDR), if implemented                                                       | 258                                                                         |   |       | W       |
| 7.  | Off mode, power demand, if applicable                                                                                  | n.a.                                                                        |   |       | W       |
| 8.  | Standby mode power demand, if applicable                                                                               | 0,5                                                                         |   |       | W       |
| 9.  | Networked standby mode power demand, if applicable                                                                     | 2,0                                                                         |   |       | W       |
| 10. | Tipo di display elettronico                                                                                            | Televisore                                                                  |   |       |         |
| 11. | Rapporto dimensioni                                                                                                    | 16                                                                          | : | 9     |         |
| 12. | Screen resolution                                                                                                      | 3 840                                                                       | x | 2 160 | Pixels  |
| 13. | Diagonale dello schermo                                                                                                | 189,3                                                                       |   |       | cm      |
| 14. | Diagonale dello schermo                                                                                                | 75                                                                          |   |       | pollici |
| 15. | Superficie visibile dello schermo                                                                                      | 153,2                                                                       |   |       | dm²     |
| 16. | Tecnologia del pannello                                                                                                | QLED LCD                                                                    |   |       |         |
| 17. | Controllo automatico della luminosità (ABC) disponibile                                                                | Sì                                                                          |   |       |         |
| 18. | Sensore di riconoscimento vocale disponibile                                                                           | Sì                                                                          |   |       |         |
| 19. | Sensore di rilevamento di presenza disponibile                                                                         | No                                                                          |   |       |         |
| 20. | Image refresh frequency rate (default)                                                                                 | 120                                                                         |   |       | Hz      |
| 21. | Minimum guaranteed availability of software and firmware updates (from the date of end of the placement on the market) | 8                                                                           |   |       | Years   |
| 22. | Minimum guaranteed availability of spare parts (from the date of end of the placement on the market)                   | 8                                                                           |   |       | Years   |
| 23. | Minimum guaranteed product support                                                                                     | 8                                                                           |   |       | Years   |
|     | Minimum duration of the general guarantee offered by the supplier                                                      | 2                                                                           |   |       | Years   |
| 24. | Tipo di alimentatore                                                                                                   | Interno                                                                     |   |       |         |
| 25. | External power supply (non standardized and included in the product box)                                               |                                                                             |   |       |         |

|     |                                                                                         |                                      |   |    |
|-----|-----------------------------------------------------------------------------------------|--------------------------------------|---|----|
|     | <i>i.</i>                                                                               | -                                    |   |    |
|     | <i>ii.</i>                                                                              | Tensione d'ingresso                  | - | V  |
|     | <i>iii.</i>                                                                             | Tensione di uscita                   | - | V  |
| 26. | External standardised power supply (or suitable one if not included in the product box) |                                      |   |    |
|     | <i>i.</i>                                                                               | -                                    |   |    |
|     | <i>ii.</i>                                                                              | Tensione di uscita necessaria        | - | V  |
|     | <i>iii.</i>                                                                             | Required delivered current (minimum) | - | A  |
|     | <i>iv.</i>                                                                              | Frequenza di corrente necessaria     | - | Hz |
