Lenovo

This all-in-one PC has a 19.5" display with low blue light output, making it healthier for long-term use by office workers. Unusually for an entry-level PC, the display can be tilted up and down, so users can find most comfortable angle to work from.

REASONS TO BUY

The regular HDD can be supplemented by M.2 SSD storage, which will make it much faster to open files and programs.

Features a cable management hoop on the rear of the stand, which holds together any wires from peripherals, for a clean and tidy desk.

Save money and reduce your environmental impact with this energy-efficient device which has Energy Star® and GreenGuard® certifications.
