Designed with you and the environment in mind

Now you can feel good about the bag you use to protect your laptop. Designed to keep your laptop protected and accessories organized, the Renew Business 17.3-inch Laptop Bag uses environmentally-responsible materials that are durable, easy to clean and designed for comfort.

Sustainable style

Carry and protect your laptop in style and feel good about it at the same time. The main material of the Renew Business Series 17.3-inch Laptop Bag is made from 100% ocean-bound plastics while all tags, strings and stuffing are sourced from 100% recycled biodegradable materials.

Safe and secure

Make it harder for light fingered thieves and electronic pickpockets. An RFID pocket protects your credit cards and data from scanners while double-coil, lockable zippers and slip pockets keep your possessions tucked away and secure. Plus there's a Bluetooth® tracker pocket to house your tracking device¹ that locates your bag.

Grab and go organization

Stay organized with this clutter-free carry-all any time you need to move around, whether working from home or on the go. Numerous slip and zip pockets provide a secure home for your devices, peripherals and cables, plus a convenient cable pass-through keeps your phone, power bank or headphones connected while you are on the move.

Comfortably versatile

Here's one comfortable laptop bag, however you use it. Wear it across your chest or grab the handles and go. Plus a convenient pass-through fits over most rolling suitcase handles making commuting and traveling easier.
