

HP Z G3 Conferencing Speaker Bar

An Enhanced Audio Experience

What you say and hear is just as important as what you see on conference calls. If you are looking for clearer, richer sound along with style and flexibility, look no further than the Z G3 Conferencing Speaker Bar to improve your audio experience.

*Product image may differ from actual product

<p>Designed for Conferencing</p> <p>Here's one speaker bar with conferencing in its DNA. Designed specifically for audio and video calls, it includes optimized dual microphones and stereo speakers for clear, rich sound as well as intuitive volume controls so you can adjust audio on the fly without having to go into PC Settings.</p>	<p>Superior Sound</p> <p>Hear what you've been missing with dual stereo, wide frequency speakers that deliver rich, immersive sound. Plus with additional inputs¹, you can connect another audio source for playing music or media at your desk or connect your wired headphones for private listening.</p>	<p>Perfectly Fits your Premium Monitor</p> <p>A speaker bar that looks stylish on a Z², HP Series 5 Pro³, or HP Series 7 Pro monitor⁴ stand, and also small enough to sit on your desk⁵. Even better, the included USB-A cable means you can connect it to and use it with any monitor for added flexibility.</p>
