

HP Dual Mode Keyboard 1000

Multi-device connectivity for any type of work

Get ready for keyboard connectivity. Now you can easily switch between 3 different devices in a single click. Plus, with its innovative slim design your typing will always be smooth. And you go hands-free with the integrated rubber cradle that's built to hold your devices securely.

Connectivity made easy

Enjoy convenient connectivity to your PC, smartphone, and tablet. Easily switch between them with the click of a button.

Two ways to connect

Comes with two options for wireless connection – USB receiver or Bluetooth® 5.0.

HP Dual Mode Keyboard 1000

Featuring

Designed for smooth typing

The stylish design lets you enjoy quiet sound while applying less pressure.

Hands-free stability

Go hands-free with this integrated rubber cradle that's designed to secure your devices.

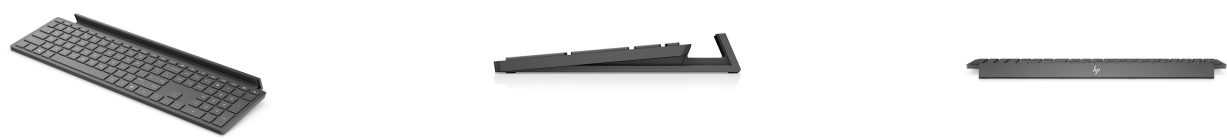

Shortcuts at your fingertips

Experience shortcuts at your fingertips when pairing the FN key with controls like mute, volume, brightness, etc.

5 LED indicators

5 LED indicators illuminate keys including power, caps, 2.5G mode, BT1 mode, and BT2 mode.
