

4U Blank Panel for 19 inch Rack, Enclosures & Cabinets, Rack Mount Blanking Panel for Server/Network Racks, 4RU Rack Filler, Solid Panel, Steel

Product ID: RKP NL4U

This 4U blanking panel helps improve the appearance and airflow of your EIA-310 compliant 19 in. server rack.

This solid blank rack panel creates a clean and professional look by covering empty rack spaces and visible cables, for a more organized server room.

When used to cover unused rack units, this 4RU panel can help to control airflow and in certain applications, control internal temperatures by reducing the recirculation of hot air within the rack, created when unused spaces are left uncovered.

Certifications, Reports and Compatibility

Applications

Features

- **COMPATIBLE WITH 19" WIDE RACKS:** This 4U blank panel is designed to EIA-310 specifications and fits all 19" standard network/server racks and cabinets; ships with hardware to mount this metal panel to your rack, installation is quick and easy
- **PROTECT YOUR EQUIPMENT:** This solid blanking panel/spacer helps to protect valuable rackmount server equipment by creating space between installed devices, promoting airflow and passive cooling

- **TECHNICAL SPECIFICATIONS:** Width: 19 inches Height: 4U (7 in.) Color: Black Power Coated Finish Solid (non-vented) Includes 2 Sets of M6 Cagenuts and Screws Cold-Rolled Steel
- **BUILT TO LAST:** Blanking panels/plates are made with 1.2mm thick cold-rolled steel; this filler panel is designed to hold up to be durable while managing airflow around your networking equipment
- **STARTECH.COM ADVANTAGE:** IT professionals choice for over 30 years; This 4U rackmount blanking panel is backed for life by StarTech.com, including free 24/5 North America based multi-lingual tech support
