Highlights

Freeview Plus (Australia)

Find out what's on TV this week with the Freeview 7-day TV Guide, or browse backwards to see what's available for catch up. Search for all your favourite Australian free-to-air TV in one place with easy access to ABC iView, SBS On Demand, 7plus, 9Now and 10 play. Just press the green button on your remote to get started !

Freeview (New Zealand)

for UHF Aerial

Freeview brings you a comprehensive range of free-to-air TV channels and 8-day TV guide, as well as fantastic free on-demand shows and movies, including catch-up TV and on-demand-exclusives, all together in one place. Channel-surf, catch-up or binge the entire series of your favourite shows - and do it all subscription-free.

P5 Perfect Picture Engine

The Philips P5 engine delivers a picture as brilliant as the content you love. Details have noticeably more depth. Colors are vivid, while

skin tones look natural. Contrast is so crisp you'll feel every detail. Motion is perfectly smooth.

Dolby Vision and Dolby Atmos

Support for Dolby's premium sound and video formats means the HDR content you watch will look-and sound-gloriously real. Whether it's the latest streaming series or a Blu-Ray disc set, you'll enjoy contrast, brightness, and color that reflect the director's original intentions. And hear spacious sound with clarity, detail, and depth.

TV Content

Go beyond traditional TV programming with Google Play Store and Philips App Gallery. Experience endless movies, TV, music, apps and games online. More to love.

Android TV

Make your Philips Android TV your own. If it's all about Amazon and YouTube this week, and Netflix next week-no problem. A clear, intuitive interface lets you put the content you love front and center. Easily pick up where you left off in the latest series, or check out the new movie releases.

Google Assistant

Control your Philips Android TV with your voice. Want to play a game, watch Netflix, or find content and apps in the Google Play store? Just tell your TV. You can even command all Google Assistant-compatible smart home devices-like dimming the lights and setting the

65PUT8215/79

thermostat on movie night. Without leaving the sofa.

4K UHD

Bright 4K LED TV. Vibrant HDR picture. Smooth motion. A Philips 4K UHD TV brings content to life with rich colors and crisp contrast. Images have more depth, and motion is smooth. Movies, shows, games, and more look great no matter the source.

DTS Play-Fi

With DTS Play-Fi on your Philips TV you can connect to compatible speakers in any room. Got wireless speakers in the kitchen? Listen to the movie while you make a snack, or keep up with the sports commentary while you get everyone a drink.
