

LH700XW Wireless Active Noise Cancelling Headphones

No.: 73202

Superior hybrid ANC headphones with Bluetooth connectivity

Description

- Hybrid noise cancelling headphones with Bluetooth connectivity
- Impressive audio playback of music, movies and games with deep bass, specular treble and balanced mids
- Hybrid active noise cancellation for blocking out up to 98% of external noise
- Up to 50 hours of battery life for prolonged wireless or ANC use
- 2-year warranty

Lindy's LH700XW are over-ear headphones that provide uncompromisable audio quality with a wireless or wired connection for playback of music, podcasts, movies, or games.

The LH700XW's Bluetooth connectivity, comfortable protein leather earpads and the lightweight adjustable design provide snug, wireless listening for travelling, workouts or the workplace.

Hybrid noise cancellation ensures up to 98% of external ambient noise is blocked out, using both external (Feedforward) and internal (Feedback) noise detection microphones. This allows for an intimate listening experience, great for noisy workplace or home office spaces, or loud commuters.

Push button controls on the LH700XW provide seamless, simple management of playback including playing, pausing, and skipping tracks as well as volume adjustment. The in-built microphone also allows for use on phone or video calls wirelessly, with the controls providing the ability to manage the call. Two devices can also be connected at one time via Twin Pairing, ideal for easily switching between music on a laptop to a call from a connected smartphone.

The built-in battery can be charged quickly at around 3-4 hours for a full charge, with up to 50 hours of wireless playback, providing consistent performance over prolonged periods of time. An included 3.5mm cable also allows for a wired connection, with which ANC can also be used.

Technical details

Specifications

- Design: Over Ear
- Driver: 40mm
- Active Noise Cancellation: 98% reduction of low frequency noise
- Bluetooth Standard: 5
- Bluetooth Chipset: QCC3005

- Battery Type: Internal Lithium Polymer
- Battery Life: 92Hr ANC Only, , 50Hr Wireless Only, 35Hr ANC & Wireless
- Impedance: 32Ω passive mode / 100Ω ANC mode
- Sensitivity: (1mW@1kHz ±3dB): 104 ±3db
- Frequency Response: 20Hz – 20kHz
- Nominal THD: <1%@ 1kHz Passive Mode / <1% @ 1kHz Active Mode
- Special Features: Hands-free calling, Twin pairing connectivity

Connectors

- Input: 3.5mm Audio (Female)
- Power: USB Micro-B (Female)

Physical Properties

- Dimensions (approx.) WxDxH: 160x80x185mm (6.3x3.15x7.28in)
- Housing Material: Plastic
- Net Weight: 0.251kg (0.55lb)
- Operating Temperature: -10°C - 35°C (14°F - 95°F)
- Storage Temperature: -10°C - 35°C (14°F - 95°F)
- Humidity: 0 – 30% RH (non-condensing)
- Colour: Black

Miscellaneous

- Packaging Type: Carton Box
- Packaging Dimensions: 187x63x216mm (7.36x2.48x8.5in)
- Gross Weight: 0.526kg (1.16lb)
- Warranty [Years]: 2
- Certificated: CE, RoHS, REACH & California Proposition 65

Package Contents

- LH700XW Wireless Active Noise Cancelling Headphones
- 3.5mm Audio Cable, 1m
- USB Type A to Micro-B Charging Cable, 0.3m
- 6.3mm Adapter
- Dual-plug Flight Adapter
- Hard Shell Carry Case
- Lindy Manual
