

Build and display a beautiful Bird of Paradise
 Celebrate your love of plants as you build this elegant LEGO® Bird of Paradise model to display at home.

A rewarding build with a model to cherish
 With 1,173 pieces, you'll enjoy a relaxing project as you style the adjustable flowers and leaves to create a unique display.

LEGO® Bird of Paradise

Plume-like flowers
 Admire the orange flowers that resemble the head of a bird.

A faithful interpretation
 Create an authentic LEGO® version of a much-loved plant.

Easy to care for
 Never needs water, just an occasional dusting.

A rewarding project
 This set offers a relaxing build for adults, so take your time creating a beautiful piece to display with pride.

Perfect for plant lovers
 This Bird of Paradise set is part of the LEGO® Botanical Collection, a series of models inspired by nature.
