for all

Lenovo

This desktop is a great choice for refreshing old devices or supporting the needs of an expanding workforce. Behind the modern, professional design, is a desktop built for today's business environment of office productivity and cloud-based apps. Everything works faster and easier with the latest processor and storage technologies, a self-help software tool, and plenty of USB ports for connecting office peripherals and charging mobile devices.

REASONS TO BUY

M.2 PCIe SSD is the fastest storage technology available today, and it's an option on this desktop. Alternatively, for lower performance and reduced cost, select HDD storage and Intel Optane™ memory, which boosts performance of the most frequently used files.

Educate your users about Lenovo Vantage; our app for users to self-service minor issues before asking for technical support. Run device diagnostics, update drivers, remove unnecessary files, and more.

Save money and reduce your environmental impact with this energy-efficient device which has Energy Star®, EPEAT® Silver and GreenGuard® certifications.
